MIDWEEK AT KOSSUTH

2017-18 Midweek Ministry Overview

Play time and Bible stories for 2-3 year olds. Children receive picture cards each week to review at home with their family. Parents of Puggles are asked to stay in the building during Midweek in case their children need assistance.

Crafts, games, and story time for preschool-age children (3-5 years). Children receive a book with stories to read and Bible verses to learn at home.

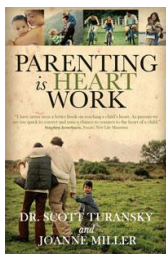

Club for early elementary kids (K-2nd grade) includes large group, small group, and game time. Kids memorize Bible verses and complete projects at home and then review them with a leader during small group time.

Club for older elementary kids (3rd-5th grade) includes large group, small group, and game time. Kids memorize Bible verses and complete Bible study assignments at home and then review them with a leader during small group time.

This middle school “youth group” (6th-8th grade) explores foundational truths about God, the Bible, and knowing Jesus.

Parents, many times we have to change the way we parent in order for our children to change the way they live. This practical, biblical study will help you understand how you can influence the heart of your child. Learn how to touch a child’s heart and help your kids make lasting changes. It’s all about the heart! This group meets during the monthly family nights (Oct 18, Nov 15, Dec 13, Jan 24, Feb 21, Mar 21) and is for parents and grandparents of kids ages 0-18.
