

Gospel of Mark: Following Jesus Christ

Following Jesus Christ through Suffering

MARK 1:40-2:12

Overview

In our passage, we meet two men with real needs who approach Jesus for healing. Jesus' response shows that he has all authority to meet those needs and the deeper needs behind them. Our response as disciples must always be to see our physical, emotional, and spiritual needs as a pathway to experiencing Jesus as sufficient in every area of our life.
