

Colossians

Captivated by Christ in Life

COLOSSIANS 2:6-15

Overview

We now come to the core passage of the book and the hinge that begins to apply the gospel to real life. Jesus is preeminent over the entire creation. He is also preeminent over your entire life. God desires that you be captivated by Christ rather than captive to the lies of this world. Pursue a life captivated by him because in him true life is found.
